Register Page

The screenshot shows a web browser window with the URL `localhost:3000/register.html`. The page features a header with the "City Hospital" logo and "Login" and "Register" buttons. The main content area contains a "Create an Account" form with the following fields: "Full Name", "Email Address", and "Password". A "Sign Up" button is located below the password field. A link "Already have an account? Login here" is positioned at the bottom of the form. The browser's taskbar at the bottom shows the system clock as 18:49 on 22-03-2025.

Patient dashboard to book appointment

The screenshot shows a web browser window with the URL `localhost:3000/booking.html`. The page features a header with the "City Hospital" logo and "Secure Portal" and "Logout" buttons. The main content area is titled "Patient Dashboard" and contains two sections: "Book New Appointment" and "Upcoming Appointments". The "Book New Appointment" section includes a form with the following fields: "Patient Full Name", "Select Department / Doctor" (with a dropdown menu showing "Choose a Doctor..."), and "Preferred Date" (with a date picker showing "dd-mm-yyyy"). A "Confirm Appointment" button is located below the form. The "Upcoming Appointments" section displays a message "No appointments scheduled yet." with a calendar icon. The browser's taskbar at the bottom shows the system clock as 18:50 on 22-03-2025.
